

## Welcome

FashionBlogging.com is your fashion blogging haven. A place for you and us to vent our true feelings about the latest and greatest trends and fashions. Based out of Irvine, California, the contributors of fashionblogging.com are veteran fashion lovers, recovered shopaholics, obvious shopaholics, bargain buyers, and simply frivolous spenders! We are a garden variety of fashion lovers, with a diverse background of fashion upbringing meant to help you look your best and be informed on a constant basis. FashionBlogging is the place for all fashion lovers from all different fashion walks of life, who just want to know what's hot, why it's hot, and how they can be hot. Our content is meant for your entertainment and enjoyment. We hope that you will also grow from our shopping experiences, fashion flubbers, and style sensations! This site is catered for all fashion needs, emergencies, vents, commentary, and critique. We want to know what you think is great and why, blog away on fashionblogging.com!
